Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
We are honored to represent the 11th region in the state tournament. Our advancement to this point has included four come-from-behind wins so it has definitely been exciting for our team and fans. This is our baseball program's first trip to the 5/3 KHSAA state baseball tournament. We are currently 29-7 with the most wins in our school's history.

What are keys to your team's success in winning the tournament:
We must have solid pitching and error-free defense and base running to go along with our hitting. At this point we cannot afford any more injuries. It would be great to see Tyler Oliver (likely) and/or Chris Wade (not likely) return from their knee injuries in time to contribute physically on the field.
