What are keys to your team's success in winning the tournament:
Jared Johnson, Heath Wright, and Jacob Randolph, have been leading us to duoble figures in hits,and our power hitters are producing---if they stay hot, our offense will give us plenty of runs---we have been able to hold our opponents to very few hits, but our defense will have to make fewer mental mistakes to win in the state. Also, Stewart Ijames has produced all year, and we need his continued support!
