**INSTRUCTIONS TO UMPIRES INVOLVED IN STATE BASEBALL TOURNAMENT**

Congratulations from the Board of Control and staff of the Kentucky High School Athletic Association on being selected to the umpire crew for the Kentucky National Insurance/KHSAA State Baseball Tournament! We hope that these instructions answer most of your questions.

**THE INSTRUCTIONS GIVEN ON THESE PAGES ARE VERY IMPORTANT. PLEASE READ THIS INFORMATION IMMEDIATELY AND CONTACT ASSISTANT COMMISSIONER BUTCH COPE AT THE KHSAA OFFICES SHOULD YOU HAVE ANY QUESTIONS.**

The KHSAA will have representatives available prior to the championship games at the KHSAA offices (859) 299-5472 throughout the week of the championships. You can contact Butch Cope directly through a tournament mobile phone, (859) 351-1833.

Thanks again, and best of luck in the tournament.

**SPECIAL NOTE REGARDING TEAM ENTRY: All teams, even those who have just left the batting cages, must exit the stadium at the rear exit by the cages, and come around to Gate 2 for admission, even in the game you are about to play. You are not to enter the field through the outfield gates. Thank you for your cooperation in ensuring the integrity of admission control for both the Legends and the KHSAA.**

**STATE BASEBALL TOURNAMENT SUGGESTED DIRECTIONS**

*GENERAL*

Whitaker Park (formerly Applebee's Park) is easy to find and easy to access. The site is just 1.5 miles North from the I-64 and I-75 interchange and less than one-quarter mile from New Circle Road. Right field is located along North Broadway (US 27-68), the number one gateway into Lexington. The park sits at 1200-1295 North Broadway, directly adjacent to the Northland Shopping Center. This is the location of the general parking for the park. Teams will park and enter via the Pass Gate on the third base line side. Each school will be provided five parking passes to allow you access to the team parking. All others will pay the normal parking fee. You must use one of these passes for your team bus. Please follow the directions of any Lexington Legends staff member monitoring the parking lots to minimize problems.

*FROM EAST OF LEXINGTON (VIA I-64)*

Take I-75 North at junction with I-64 West. Take exit 113 (Paris / Lexington), exit right. At exit traffic light, turn right to go to Park. Proceed through the third light (including the one at the exit), to the light at the entrance to the Park. Turn right to enter park.

*FROM NORTH OF LEXINGTON (VIA I-75)*

**HOUSING**

Umpire housing for the baseball finals is arranged through the Lexington Convention and Visitors Bureau and a corporate contract with Hyatt Place on Bryant Road.

You may check in at the Hyatt Place in Lexington (<http://lexington.place.hyatt.com/hyatt/hotels/place/index.jsp>) Sunday evening June 12th (after 4:00 p.m. ET). Please do not contact the hotel prior to June 1, as this group reservation is being handled by Windy Lane, Director of Sales.

At the point we cut to eight (8) umpires, you may be able to have a room by yourself for family, etc. If you desire anything other than a double room, you will be on your own for the cost of the room. If you not going to stay in the hotel, please let me know by Thursday, June 2.

Please feel free to contact the KHSAA office if you have any questions.

**FIELD DIMENSIONS**

The fence distances at Whitaker Park are 320 feet down the left field line, 318 down the right field line, and 401 to straight away center field. The outfield walls are clearly bordered by a warning track (and some of the wall is brand new following recent storms). There is an area deep down each side that is out of play. We will review those areas with the coaches and the umpires prior to each game.

**WHEELCHAIR/A.D.A. ACCOMMODATIONS**

Efforts will be made to make a reasonable accommodation for those individuals who may need wheelchair access or other needs due to disability. Please see Butch Cope or Gary Durbin upon arrival for instructions. Due to insurance and other concerns, there will be NO wheelchairs allowed on the field level for any reason.

**TICKET SALES**

We will provide one complimentary ticket for your guest/spouse/other. Please have this individual enter through the team/media/officials gate, which is located on the third base side of Whitaker Park.

**GAME ASSIGNMENTS**

Each umpire will work one game on Monday and one game on Tuesday. From that point, we will eliminate eight (8) umpires and those eight (8) will remain. Much of the elimination of officials will be based on umpires who have region

conflicts with teams remaining. We will utilize the four-person mechanics and coverage as described in the National Federation umpires Manual. Make certain that you are familiar with these coverage and position rotation and much of this will be reviewed at the Monday morning meeting.

The game assignments will be as follows – (to be completed at the meeting)

### **ARRIVAL TIME AND DRESSING FACILITIES**

You will be expected to be at the game site 1 hour and 15 minutes before the start of the sessions. You will be issued a parking pass at the organizational meeting which will be valid for entry into reserved parking. Upon entering the main parking lot, make an immediate right, and park in the area to the right as direction. This is a slight change from the past in order to ensure that the Legends staff has access to their designated lot and in order to minimize the inconvenience to you. Please be prepared as it is my preference that you travel without the game uniform on so as to draw as little attention to yourselves as possible upon arrival.

**You will then need to come to the front entrance to the stadium and enter via Gate 2, which is our only pass gate and then proceed behind the first base line to the dressing room. You will be dressing in the visiting team dressing room in Whitaker Park behind the right field wall.**

From the dressing room, you will enter the stadium through a gate along the right-center field wall.

### **POSTPONEMENT OF PLAY**

Assistant Commissioner Cope will work in conjunction with the umpires and the Legends staff in making a play or postpone decision. The competing coaches have no input in the matter. If we get weather situations, we will constantly monitor via on site equipment, and keep the umpires informed at all times.

### **UNIFORM**

The following will be the uniform for umpires working in the state baseball tournament in 2011.

- Powder Blue pullover jersey with navy/white trim will be worn for the games on Monday, Wednesday and Friday. Numbers (4" or 3") worn on right shoulder sleeve are required and must be the required color combination. No local association or KHSAA patch is to be worn on the jersey.
- Dark Blue pullover jersey with red/white trim will be worn for the games on Tuesday, Thursday and Saturday. Numbers (4" or 3") worn on right shoulder sleeve are required and must be the required color combination. No local association or KHSAA patch is to be worn on the jersey.
- Any foul weather pullover gear or plate jacket should be the KHSAA navy (dark blue) pullover unless a plate coat is worn. If plate coat is worn, it shall have the KHSAA patch.
- Gray slacks.

- You will be provided a hat to wear BUT THE HAT WILL NOT ARRIVE IN TIME FOR THE FIRST DAY OF PLAY. However, bring your Navy Blue Hat (local logo allowed, but HIGHLY discouraged as this is a split crew assignment) just in case we have weather trouble or in case the hats do not arrive.
- Black Shoes (white running stripes and markings are allowable).
- Black Belt/Small Buckle.
- Navy Blue Ball Bag.
- Navy Blue Undershirt, if undershirt is worn and visible.
- Black socks.
- Sunglasses are permissible for the field umpires, however, all should wear them and the style of glasses should not distract from the appearance of the umpire(s).

### **PARKING**

Parking will be in the normal home game parking lots adjacent to the baseball stadium. Umpires should enter as directed in these instructions to minimize problems and use the parking pass provided. Public parking will be \$3 per vehicle.

### **PRACTICE PRIOR TO THE GAME, BATTING CAGES, PRE-GAME WARM-UP TIME ON FIELD**

**NO ADDITIONAL PRACTICE MAY BE SCHEDULED BY ANY COMPETING TEAM USING WHITAKER PARK DURING THE WEEK OF THE TOURNAMENT IN ORDER TO ENSURE ALL TEAMS EQUAL ACCESS.**

Teams are not allowed to use Whitaker Park for practice other than for pre-game warm-ups. Local schools may be willing and able to assist you in locating practice facilities. This ensures equal access to Whitaker Park for all teams.

The batting cage behind the right field wall will be available prior to a team's scheduled games, in 45 minute blocks. Competing teams should work together to coordinate time usage. The KHSAA staff will assist in the event of dispute.

On the days of the tournament, the teams may not be on the field except as detailed in the timetable. There will be no exceptions and schools violating this policy face the possibility of a fine or other punishment permissible by KHSAA Bylaw 33. It is imperative that the grounds crew has adequate time to perform their functions.

### **WARM-UP TIME**

On the days of the tournament, the teams may not be on the field except as detailed in the timetable. There will be no exceptions and schools violating this policy face the possibility of a fine or other punishment permissible by KHSAA Bylaw 33. It is imperative that the grounds crew has adequate time to perform their functions.

### **BETWEEN INNINGS**

Between innings, the team taking the field particularly the pitcher should delay approximately one minute before leaving the dugout. There are many promotions and other activities surrounding the games, and we don't want players warming up and standing waiting for a promotion or activity to end.

### **HOME AND VISITING TEAM AND DUGOUTS AND LOCKERS**

The team in the top bracket of the tournament draw will be the home team in all games and use the first base dugout. A representative of the school and the KHSAA playoff staff will inspect the dugout before and after the game. It is expected that the dugouts will be left in the same condition it is found. The KHSAA will take whatever action is necessary including fining the particular school and assessing the cost for cleanup to those schools leaving the dugouts in unsatisfactory condition or damaging any of the field property.

The team in the bottom bracket of the tournament draw will be the visiting team in all games and use the third base dugout.

A representative of the school and the KHSAA playoff staff will inspect the dugout before and after the game. It is expected that the dugouts will be left in the same condition it is found. The KHSAA will take whatever action is necessary including fining the particular school and assessing the cost for cleanup to those schools leaving the dugouts in unsatisfactory condition or damaging any of the field property. The

There will be no locker room facilities available at the stadium. Teams should be prepared for play upon arrival.

### **COLOR OF JERSEY**

The home team will wear its light colored jersey and the visiting team will wear its dark colored jersey. KHSAA staff will resolve conflicts regarding these issues and both teams should be prepared to have both light and dark jerseys available.

### **GAME BALLS AND BALL RETRIEVERS**

For the championship games, the Rawlings Company will be providing the Rawlings R100KY raised seam baseball as the game balls. Each team is expected to help in the retrieval of foul balls down their side to make certain that the best possible balls are being used. There will be ball persons supplied to assist in the return of the balls to the umpires.

### **BENCH DECORUM**

The KHSAA will instruct the umpires to enforce the rules of the game regarding bench conduct and the coaching boxes. With the continued emphasis on sportsmanship and the high profile nature of the state tournament, there should be no need for further reminders about the conduct of the coaching staff and other personnel on the bench, including actions, gestures and language. In light of recent Board of Control emphasis on conduct, the umpires have been instructed to ensure that all rules are enforced within the NFHS Rules and other books.

### **TOWELS AND OTHER SUPPLIES**

The Association does not provide towels for the teams participating in the tournament. Your school will need to inform the participants to bring a towel if they need one for any reason.

### **OFFICIAL STATS**

The KHSAA provides official statistics for the games through WL Stats. Due to space constraints, there is no space provided for team statisticians in the press box. All team stat personnel must stay within the dugout during the entire game or be positioned in the stands. The stats results will be posted on the KHSAA web site immediately after each game.

### **TRAINERS/DOCTORS AND EMERGENCY TREATMENT**

The University of Kentucky Sports Medicine Offices will be providing training services for the games. They intend to have a certified and/or student trainer in each dugout at all times.

Each team is also entitled to have its own team doctor available and an ambulance will be available. Please feel free to utilize these important services that are provided by the representatives of the Lexington community.

Should emergency medical treatment be necessary, Lexington Fayette Fire Department EMTs will be transporting the injured person(s) to the St. Joseph Hospital in Lexington. The member school administration is responsible for ensuring that the parental permission to seek medical treatment is authorized from each participant. The Principal, Athletic Director and/or the Head Coach can use a copy of KHSAA Form GE04 (the physical exam form) for this purpose as this form contains appropriate language.

### **VIDEOTAPING/MEDIA/ FILM**

Press, radio and TV representative's passes will be made available upon request by having the outlets contact the KHSAA in advance. If you have media covering your team, they should contact Butch Cope, Director of Media Relations and Promotions, not later than Monday of the tournament week.

**There shall be no other videotaping of any baseball tournament game, other than by KHSAA designees and outlets or by persons whose entire taping unit can be contained within their seat and present no obstruction to other spectators. (No tripod, external power sources, or use of the Applebee's Park power sources). IT IS IMPERATIVE THAT YOU REITERATE THIS TO YOUR FANS TO PREVENT REPEATING OF PREVIOUS PROBLEMS.** Tapes of each game will be for sale by the KHSAA following the games. Information on these sales is enclosed in this information. Due to space constraints, schools will NOT be afforded an opportunity to videotape contests played during the state tournament from the video decks or utilizing tripods or external power sources. Taping can be done from the confines of a seat or an area that does not restrict fan viewing.

### **POST GAME MEDIA INTERVIEWS**

All post games media interviews are to be done in the vicinity of the dugout. With the tight timetable, the field playing area is cleared as soon as possible to prepare for the next game. Please inform your local media of the need to adhere to this restriction.

### **FAN BEHAVIOR AND ACTIONS**

No one outside of the team is to come on the playing field. Fans are to stay in the stands before, during and after the game. Please make several announcements to this effect to the student body during the week before the game.

### **SIGNS, BANNERS, NOISEMAKERS**

No posters or signs of any kind will be permitted to be adhered (with glue, tape string or other devices) by any official or unofficial school representative to any permanent surface of the stadium. No signage posted on behalf of a school may contain derogatory language or sayings or contain the name of the opponent or any of its players. Please make certain all pep, spirit and support organizations are aware of this rule.

No electronic amplification equipment will be allowed in the stadium (excepting band instruments used in conjunction with the official high school band and its performance), nor any other electronic, mechanical or semi-mechanical noisemaker. This includes stereos, speakers, cannons, electronic horns, tanks, etc. In addition, no recorded music or other type of reproduction subject to copyright restrictions will be permitted.

### **INCLEMENT WEATHER STATEMENT**

With the possibility of inclement weather, we remind you that you should be prepared to move to a place of shelter in the event of bad weather conditions. Should it begin to rain, the games will continue on schedule unless there are signs of lightning or the umpires in consultation with tournament management determine that it is unsafe to continue.

Should weather conditions force a postponement or delay, you should immediately leave the bleacher area and heed any announcements made by tournament management. Should evacuation become necessary, please observe the directions given by uniformed officers as well as tournament officials. In accordance with adopted KHSAA policy, if the games are suspended, the minimum suspension will be 30 minutes after the last sight of lightning or sound of thunder.

Persons leaving the stadium should seek shelter in their mode of transportation. In all circumstances, use prudent judgment in determining whether or not you should remain in the dugout or bleachers. When the decision is made to resume the games, there will be announcements made throughout the stadium area, and prior to the resumption of play, a fifteen minute warm-up period will be given to both teams. The KHSAA pitching limitations are in force irrespective of weather conditions or cancellations.

### **HEAT INDEX**

Tournament play will adhere to the Heat Index. Tournament administration, working with the UK Healthcare staff will be responsible for tracking and implementing the Heat Index Program and its guidelines. Should the heat index reach 95, mandatory 10 minute water breaks will be taken every 30 minutes and continuously monitored. All play shall stop should the heat index reach 99.
