Your team's accomplishment of advancing to the State Tournament:
<p>This is a special reward for the hard work and dedication the players and coaches have put into this season. Making it through the season undefeated against Jefferson County Schools has prepared us for the demands of winning a State Championship. It is an annual goal at Ballard to make it to the Sweet Sixteen and win a State Championship. The team is excited about representing the 7th Region and the Ballard community.</p>

### Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
<p>All year long, Will Reeves and Ra'von Lee have provided solid leadership and helped lead us to this point. They must continue to play at a high level. Utilizing our depth will be a key since we can rotate 10 players and try to keep up the pressure on both offense and defense. This could prove vital if we are fortunate enough to continue winning.</p> <p>Our two major strengths all year have been our defense and our rebounding. We must continue to do this as well as get solid perimeter play from our Point Guards (Twany Beckham &amp; Garnett Phelps) and Off Guards (Montel Harvey, Johonne Hamilton, Nick Puzey &amp; Tony Johnson). If we can shoot well from the outside, it will force teams to extend their defenses, which will open up the inside for Lee , Reeves, Heyman, Cowherd, &amp; Seelow</p>
