## **Coach Comments**

**1. Please describe what advancing to the State Tournament means for your program, your school and your players.**

It's a great accomplishment to see everyone come together for a common goal. This will be something that we will never forget; as a team, as individuals, and as a community.

**2. What will your team have to do in order to have a chance of winning the State Tournament?**

We will have to play hard on every possession. We have to play together on the defensive and offensive ends of the floor. We will have to play for one another.
