Coach Comments

- 1. Please describe what advancing to the State Tournament means for your program, your school and your players.**

It is such a tremendous honor to represent Bowling Green High School and the 4th Region in the Sweet 16. We have a great group of young men on our team that stay the course the entire season. They received the ultimate payoff for their efforts. It is such a wonderful accomplishment, and we are extremely proud of our team.

- 2. What will your team have to do in order to have a chance of winning the State Tournament?**

Any team that has a chance to win the tournament must first be very talented, and second must catch a little luck along the way. The Sweet 16 is such a difficult tournament. Every team is very good, well coached, and prepared. Our team must focus on one game at a time, we must stay true to our strengths, and we

must try to exploit our opponents' deficiencies. To have the opportunity to win the KHSAA State Basketball Championship is a significant accomplishment; the team that survives this field of teams truly has earned the championship.
