

KHSAA Form FB104
Rev. 7/06

KHSAA Football Alignment
Receipt and / or Request for Changes in the Draft Alignment
(All responses will be copied and given to the Board of Control prior to the October 18 meeting)
Deadline for submission for 2011 through 2014 seasons – October 14, 2010

Section I. To be completed by schools desiring no additional input.

As the representatives of this school we have received and reviewed the proposed alignment of schools and recommend no changes.

Section II. To be completed by schools desiring to withdraw from district competition

As the representatives of this school, we request to be withdrawn from football championship competition in 2011 through 2014. We understand that we will be out of district competition until the end of the classification cycle.

Section III. To be completed by schools desiring to see other alignment changes.

As the representatives of this school, we request that the following suggested amendments to the alignment of schools in football be given consideration by the KHSAA Board of Control with respect to this school (attach additional if necessary):

Due to transportation issues, Frankfort High School is requesting that Bracken and Nicholas switch districts. Frankfort to Nicholas County High school is 59 miles one way, whereas to Bracken it is 72 miles, but the time difference should also be considered. It is only a 13 mile difference, but it is over 30 minutes in time.

Section IV. To be completed by schools desiring to appear before the Board of Control

As the representatives of this school, we request to appear before the Board of Control on October 18 and testify with respect to Section III above.
