

**KHSAA Football Alignment**

**Receipt and / or Request for Changes In the Draft Alignment**

(All responses will be copied and given to the Board of Control prior to the October 18 meeting)

Deadline for submission for 2011 through 2014 seasons – October 14, 2010

**Section I. To be completed by schools desiring no additional input.**

As the representatives of this school we have received and reviewed the proposed alignment of schools and recommend no changes.

**Section II. To be completed by schools desiring to withdraw from district competition**

As the representatives of this school, we request to be withdrawn from football championship competition in 2011 through 2014. We understand that we will be out of district competition until the end of the classification cycle.

**Section III. To be completed by schools desiring to see other alignment changes.**

As the representatives of this school, we request that the following suggested amendments to the alignment of schools in football be given consideration by the KHSAA Board of Control with respect to this school (attach additional if necessary):

As enrollment changes yearly so does the alignment. With the new football alignment proposal we have some concerns. First, in the last 2 years our boys enrollment has went from 245 in 2008-09 to 209 in 2009-10. Our attendance changes each year due to incoming freshmen who are athletes tend to go to schools around us such as Prestonsburg and Pikeville, who have been very successful in their football program. 2 years ago was our first trip ever to the football playoffs in our schools history. We are finally competing in 1A. Also, transportation. Our district is close, but when we go to the playoffs which we automatically will because of a 4 team district we will have to travel to places like Danville and/or Lexington Christian. We can't see any financial benefit from this. All our playoff proceeds will go to travel expenses. As a small school we feel that this will hinder our athletic program. Thanks for listening to our concerns. Attached is our past enrollment and transportation cost.

**Section IV. To be completed by schools desiring to appear before the Board of Control**

As the representatives of this school, we request to appear before the Board of Control on October 18 and testify with respect to Section III above.
