We do not feel that Bell County is a geographic fit for 3A district 4. The trip for us is approximately 3 hours by school bus. This is not a traditional rival game for us and does not present our fans with any added benefit for the travel. We have two other area schools within an hour drive of us that have been placed in other districts. The moving of Bell to a traditional mountain district would leave our district with the required four teams.

Thank you,
