

KHSAA Football Alignment
Receipt and / or Request for Changes in the Draft Alignment
(All responses will be copied and given to the Board of Control prior to the October 18 meeting)
Deadline for submission for 2011 through 2014 seasons – October 14, 2010

Section I. To be completed by schools desiring no additional input.

As the representatives of this school we have received and reviewed the proposed alignment of schools and recommend no changes.

Section II. To be completed by schools desiring to withdraw from district competition

As the representatives of this school, we request to be withdrawn from football championship competition in 2011 through 2014. We understand that we will be out of district competition until the end of the classification cycle.

Section III. To be completed by schools desiring to see other alignment changes.

As the representatives of this school, we request that the following suggested amendments to the alignment of schools in football be given consideration by the KHSAA Board of Control with respect to this school (attach additional if necessary):

Western Hills High School (Frankfort , KY) would like look at moving from Class 3 A, District 3. Our reasoning is based on Board of Education Policy. Our athletic teams are required to travel no more than 75 miles. Two schools in our district, Elizabethtown and La Rue County, fall outside of our 75 mile radius. For the playoffs, our "sister district" game(s) could be as far as two hours and 115 miles. We would not be opposed to moving districts within class 3 A, or perhaps "playing up" in a competitive 4 A district within our 75 mile radius.

Section IV. To be completed by schools desiring to appear before the Board of Control

As the representatives of this school, we request to appear before the Board of Control on October 18 and testify with respect to Section III above.

School Western Hills High School

Principal Signature (required): Rita Rector

Athletic Director Signature (required) Craig Fry
