

KHSAA Football Alignment
Receipt and / or Request for Changes in the Draft Alignment
(All responses will be copied and given to the Board of Control prior to the October 18 meeting)
Deadline for submission for 2011 through 2014 seasons – October 14, 2010

Section I. To be completed by schools desiring no additional input.

As the representatives of this school we have received and reviewed the proposed alignment of schools and recommend no changes.

Section II. To be completed by schools desiring to withdraw from district competition

As the representatives of this school, we request to be withdrawn from football championship competition in 2011 through 2014. We understand that we will be out of district competition until the end of the classification cycle.

Section III. To be completed by schools desiring to see other alignment changes.

As the representatives of this school, we request that the following suggested amendments to the alignment of schools in football be given consideration by the KHSAA Board of Control with respect to this school (attach additional if necessary):

We understand that the KHSAA has worked diligently with the Kentucky Department of Education, and other agencies to verify enrollments of the member schools and make the best decisions possible to level the playing field for all football programs.

Paul Laurence Dunbar has been realigned in the 2nd district with Meade County, Central Hardin and Nelson County. While we realize that geographically Paul Laurence Dunbar is the closest of the Fayette County Public Schools to the 2nd District there are many other schools west of Paul Laurence Dunbar in the 6A classification that are closer to the other schools. This realignment will create a loss of revenue for our school and district. For example; a decline in gate receipts and an increase in transportation cost.

We respectfully request that the Board of Control Ad Hoc Football Alignment committee consider aligning Paul Laurence Dunbar High School with the 7th district. We feel this is a better geographical location and will help us maintain our revenue to support our program.

Thank you for your consideration,

Section IV. To be completed by schools desiring to appear before the Board of Control

As the representatives of this school, we request to appear before the Board of Control on October 18 and testify with respect to Section III above.

School Paul Laurence Dunbar High School

Principal Signature (required): Betsy Rains

Athletic Director Signature (required) Andy Sirginnis
