# *Spring Football Practice Report Form*

***SUBMIT WITHIN FIVE DAYS OF LAST PRACTICE***

***DEADLINE FOR SUBMISSION – One week after last practice session***

As per KHSAA Bylaw 25, this school has conducted spring football practice in compliance with the following provisions of Bylaw 25, Sec. 5 (h) –

h) Each football school may conduct ten (10) practice periods of not more then two (2) hours in length and not more than one practice per day over ten (10) days during three consecutive calendar weeks, which shall be chosen by the school on or before December 15. The three consecutive calendar weeks shall not begin prior to the Monday following the school's elimination from postseason play in basketball, and shall not conclude later than the last day of school. Any period of time when school is not in session on a week day, including testing and breaks, shall not count as one of the ten (10) permitted days, and practice may not be conducted on those days. All equipment authorized by the football playing rules may be used during this period. There shall be no inter-school competition during this period, and all participants shall be eligible according to all KHSAA eligibility rules.

In order to conduct the spring practice sessions:

1) No student below grade nine may participate nor may seniors participate;
2) Dates shall be reported to the KHSAA on supplied forms;
3) Only students currently eligible by all KHSAA rules including Bylaws 2 through 12 may participate;
4) Intrasquad games may be held but shall be counted as one of the ten practice sessions; and
5) There shall be no school or coach imposed penalty for any player who chooses not to participate.
6) There shall be no mandatory participation by any person on a spring sports eligibility list (or entering any spring sport scrimmage or contest) and no mandatory participation by any other person not appearing on a spring sports roster.
