LICENSING LEVEL *

- a. Level 1: An official will be classified as Level 1 as soon as he/she has paid the annual licensing fee, and has attained a grade of at least 70% on the National Federation Part I Examination in that sport.
- b. Level 2: An official will be classified as Level 2 if he/she has been a Level 1 with the KHSAA for one year, has attended the required rules clinic, has paid the annual licensing fee, and at such point in time as he/she attains a grade of at least 80% on the National Federation Part II Examination in that sport for the year in which the Level 2 rating is requested. After having received the Level 2 rating, the official shall continue to receive the rating each year upon payment of the licensing fee and until all requirements for the Level 3 rating are met.
- c. Level 3: When an official licenses for the sixth year with the KHSAA, he/she shall be classified as Level 3 if he/she has been previously classified as Level 2, has attended the KHSAA sponsored rules clinic, has paid the annual licensing fee for that sport, and at the point in time when he/she receives a grade of at least 90% on the National Federation Part II Examination during the year the Level 3 rating is requested. After having received the Level 3 rating, the official shall continue to receive the rating each year upon payment of the annual licensing fee.
