Name of Coach (please print): _____

School Fax Number (for meet information to be sent by manager): _____

School Email Address (for meet information to be sent by manager): _____

Each school may enter a maximum of ten individuals' names for the regional meet. On the day of the regional meet, using this form or a computer substitute form (HyTek option), the coach will declare which of these ten will actually run in the meet. The coach may only declare a maximum of seven individuals to run in the regional meet. These same ten names will be forwarded to the State Meet Director should they qualify for the State Meet as the official school entries. For scoring purposes, five, six or seven of the names listed will be on this form will be used and a school must have a minimum of five entries to be eligible for the team championship. All other individuals will be eligible only for individual awards and advancement. At the state meet, declaration of the entrants will again be required.
