

COACHING ADVICE

For the 2009 regular season, the Golf Advisory Committee has supported a modification for the regular season with regard to the coaching rule. This is on a trial basis and will be reviewed following the season

Advice Rule for High School Regular Season Play (Experimental for 2009 season)

The ***Committee*** may, in the conditions of a team competition (Rule 33-1), permit each team to appoint a coach, who has met all KHSAA coaching requirements and who is appointed by the school and is listed within the school information on file with the KHSAA, who may give advice (including pointing out a line for putting) to members of that team. The ***Committee*** may establish conditions relating to the appointment and permitted conduct of that person, who must be identified to the ***Committee*** before giving advice.

- There are no conditions on conduct of a coach in this regard, other than requiring advice to be given in a private manner and requiring that the advice does not **unduly delay play.**
- **Coaches are prohibited from being on the putting greens and from entering water hazards (other than to search for golf balls).**

The penalty for violation of the advice rule shall be a two stroke penalty applied to the individual.
