

Bylaw 1. Responsibility for Eligibility

The Principal of a school shall be held ultimately responsible in all matters in the school that concern eligibility, and inter-school contests. The Principal of each member school may annually designate an individual at the school to serve as the Designated Representative for the purpose of conducting the interscholastic program at that school. The Principal or Designated Representative shall sign all forms requiring authorized signature. If a member school principal fails to make the designation prior to August 31, the building principal shall automatically be the Designated Representative for the current year.

Case BL-1-1- What role does the Principal play in the management of the Association and the regulation of eligibility in the member school?

The Commissioner and Board of Control expect the member school principal to be ultimately responsible for all aspects of the athletic program, whether it is rules enforcement and reporting or eligibility certification. It is important that each member school through its Principal exercise the principles of institutional control detailed in Bylaw 33 in order for the Association to continue as a fully functioning membership organization.
