

Bylaw 32. Selection of Officials (Federal Court Decree)

Where the use of licensed officials is required, the Commission (Commissioner and three Assistant Commissioners) shall select such officials for each contest in football, basketball, and baseball. The names of the officials so selected shall be given to the schools involved at a reasonable time before the contest. Any head coach who objects to the selection of a certain official or officials to serve in games in which his team will participate shall have a right to file a written protest with the Commission, if filed a reasonable time before the contest. What is a reasonable time is to be determined by the Commission. The Commission shall have the right to make such changes as it deems appropriate and in the best interest of the sport. It is recognized that to make out such a schedule is a very involved and tedious task and the Commission shall have authority to employ such assistance as it feels proper, subject of course, to its supervision.

In accordance with this decree, the Commission must approve all actions of local policy board(s) formed by virtue of, and in compliance with this decree, including the hiring of the Assigning Secretary and assistants.
