

KHSAA STATE FOOTBALL RECORDS

(As on File with KHSAA Office as of January 15, 2010)

The Kentucky High School Athletic Association continues to strive to provide the accurate records listing. With the help of its member schools, fans and members of the media, we have been able to compile the following listing. State Football Records are published on the KHSAA website (www.khsaa.org) prior to the upcoming football season and again in the State Football Championship game program. Member schools are asked for their help in additions, corrections, etc. If you know of a correction or addition that has been omitted, please don't take offense, but help us out. Simply contact Elden May, KHSAA Sports Information Director at (859) 299-5472 or e-mail at emay@khsaa.org to inquire about the procedure for providing information on a listing. When referencing a "State Record" please remember that the top mark in each category is the best performance that the KHSAA has on file. Thanks for your help and interest in Kentucky High School Football.
