

KHSAA FAST PITCH SOFTBALL STATE RECORDS

As of January 20, 2012

The KHSAA is attempting to establish and compile state fast pitch softball records. As you can see we have a number of categories so we desperately need the help of all coaches players administrators and fans from across the state to assist in this project. To submit a record you may access the state records form through the KHSAA web site (www.khsaa.org). Simply complete and return to the Association.
