

KHSAA FAST PITCH SOFTBALL STATE RECORDS

As of August 20, 2009

The KHSAA is attempting to establish and compile state fast pitch softball records. As you can see we have a number of categories so we desperately need the help of all coaches, players, administrators and fans from across the state to assist in this project. To submit a record, you may access the state records form through the KHSAA internet site (www.khsaa.org). Simply complete and return to the Association.
