

# Soccer Referee Training Camp

## Friday, July 27th

**The Camp:** This year's camp will be unique in that it will be divided into two simultaneous events. Newer officials will be provided with content that focuses on their needs while veterans of three years experience or more will be in their own sessions with specific advanced content. The camp will be conducted with a variety of formats such as lecture with power point, demonstration and participation. This camp will be conducted indoors at the Nutter Center which is immediately adjacent to the University of Kentucky's Commonwealth Stadium. The staff and I plan to make this a very informative but also fun few hours. Please plan on joining us for this important event.

**Registration and Cancellation Policy:** The camp fee is \$65.00 which is due with the KHSAA application. Deadline to apply is July 10. The application fee is **non-refundable** after July 10. If notification of cancellation is received prior to that date a 50% refund will be issued
