RE: SPORTSMANSHIP RECOGNITION PROGRAM

Enclosed you will find information on the Forcht Bank/Kentucky National Insurance/KHSAA Sportsmanship Recognition Program.

We owe thanks to member school athletic directors and guidance counselors for your continued support and assistance. This marks the 16th year of the program and thanks to our sponsors, we have had the opportunity to recognize some very deserving young people. We continue to encourage everyone to make your students aware of this scholarship opportunity. We ask that the counselors work through your athletic director in submitting nominations.

The Sportsmanship Recognition program is open to seniors that have participated in athletics and/or cheerleading. One male and one female will be recognized from each school. Local school honorees will be eligible for regional recognition as regional winners will be eligible for consideration for the statewide scholarship, where one male and one female will each receive a \$3,000 scholarship. The criterion for selection of these individuals is included.

Included in this mailing are the following:

- Program Information
- Student Information Sheet
- Case Study for Student Essay
- Criteria for Selecting Scholarship Winners
- Forms for Submitting School Winners

Again, we appreciate your assistance in making the program a success.

Please contact us if we may be of assistance.
