Memorandum

To: Pannell Swim Shop/KHSAA State Swimming and Diving Meet Participating Head Coaches

From: Assistant Commissioner, Darren Bilberry  
Phyllis Sallee, Administrative Assistant Specialist

Date: February 6, 2012

Re: Team Check-In Thursday, Friday, and Saturday

All schools participating in the Pannell Swim Shop/KHSAA State Swimming & Diving Meet must check in as a team. Individuals arriving early will not be allowed on deck until their coach arrives. Swimmers or divers who arrive after their team check-in must make special arrangements with their coach to gain admittance. **It is necessary for each team to have more than one coach with the team at check in each day. The head coach will need to attend the required coaches meeting and the additional coach will need to check in the team and be on deck with the participants.** To allow the KHSAA to facilitate check-in for teams in a more expedient manner, please bring only the participants competing in that particular session. If possible have another school representative bring the group which participates in a different session at another time later during each day.

All participants who have qualified for the State Meet will be admitted on deck.

### QUALIFIERS

The top two (2) swimmers in each event, in each of the five (5) regional qualifying meets, and the next twenty-two (22) fastest swimmers from the state-at-large, (determined by times established in regional meets) will qualify for the State Meet. This enables the top thirty-two (32) swimmers and divers in the state to compete for the championship in each event. Alternates may choose whether they want to swim or not in any event if called upon to do so. State qualifiers must be from the top 12 finishers from each region.

### **TIMING/JUDGING**

A fully automatic timing system and back-up watches will be used to time each event.

### **DIVING**

Each contestant shall submit a signed (by the coach and contestant) written description of dives on the 2011-2012 NFHS Diving Entry Form which shall include the number, the position, the degree of difficulty and the order in which dives will be attempted for all levels of competition, preliminaries through finals. The signed diving sheets will be submitted no later than one hour before the competition is to begin on Thursday.

The order of dives is as follows:

Preliminaries: any two voluntary dives and three optional dives

Semi-finals: two voluntary and one optional

(All five groups of dives must be represented in the first eight rounds)

Finals: one voluntary and two optional

In championship meets more than one optional dive from the same group is not permitted through the semi-finals. (Rule 9, Section 4, Article 1 a., b., c., & d, P-61) The five voluntary dives shall come from each of the five groups, with their assigned DD and have a sum total of 9.0 or less.

### **RELAYS**

Coaches must submit their relay cards according to the schedule included in the meet packets, to the Meet Director's desk. The relay cards may include as many as eight (8) names. The four (4) swimmers who are competing in the preliminaries should be marked (**it is suggested that the lead off swimmer be designated**). No names may be added or deleted after this time. Being listed on the card does not count as an event unless the competitor actually competes in the event. Coaches will need to mark those competing in the finals (**it is suggested that the lead off swimmer be designated**) according to the time sensitive schedule.

### **ENTRIES**

A competitor shall be permitted to enter a maximum of four events no more than two of which may be individual events. Once a competitor swims in the preliminaries in an event it counts as an event regardless of whether or not they make finals in that event.

### TEAM CHECK-INS

All participating schools must arrive and check-in together at the team check-in desk. **Participants arriving after their team checks in must make special arrangements with their coach to gain admittance.** Participants **will be admitted** on deck during the entire meet.

### NOTE

Under no circumstances can a swimmer be scratched from an individual event in order to swim in a relay. This includes qualifying from prelims to finals in regional and state competition. Example: A swimmer who qualifies for the state meet in an individual event may not scratch from that event in order to swim in a relay. A swimmer listed as an alternate may choose not to enter the event at the State Meet.

### AWARDS

Medals will be given for the top eight places. A team trophy will be given to the winning, runner-up, third and fourth place boys' and girls' teams. Awards are given to the top eight finishers and will be recognized during a scheduled awards ceremony.

### PARKING

Parking is limited to University of Louisville, Papa Johns Cardinal Stadium, and limited parking is available in the parking structure next to Ralph Wright Natatorium, Louisville, Kentucky. Please see the attached maps.

### TICKET SALES

All tickets will be sold at the Ralph Wright Natatorium. There will be a charge of \$10.00 (\$5.00 on Thursday) for adults, children 10 years of age and older and students for each session. Children under the age of 10 are admitted free. There will be no reserved seats sold for the meet. **Due to limited seating, it is suggested that you arrive early and if you leave there is no re-entry.** Tickets will go on sale 1-1/2 hour prior to the morning sessions and 1-1/2 hour before the afternoon sessions. Please advise your fans that the gates will not open until this time. **Fans will not be allowed to bring coolers and drinks into the facility. There will be no sale or distribution of t-shirts or any other type of athletic apparel on the site with the exception of approved KHSAA vendors.**

### COMPLIMENTARY TICKETS/PASSES/ADMISSION POLICY

No passes other than those produced for the championships will be honored at the gate. Principal, Coach, Athletic Director, Official passes or any other type of identification **will not** entitle the holder to admission. Designated coaches, swimmers and divers will be admitted free of charge. All other individuals must have a ticket for admission. Designated coaches' names shall be listed. For liability and insurance reasons, deck admission is limited to meet staff, officials, coaches and state qualified competitors. **USA swim coaches, unless they are a designated KHSAA high school coach, may not be listed on a team's state tournament entry as an Assistant Coach or Support Personnel and may not be on the deck at anytime. Boy and girl competitors will be allowed in free for all events but must sit on the deck or in the deck bleachers when not competing.**

### LOCKER ROOM

Shower and locker room facilities are limited so competitors may want to come dressed for the meet. Locks and towels must be provided by the participants. On site shaving is prohibited. Ralph Wright Natatorium policies **prohibit** competitors from using the locker room suit dryers.

### **CONCESSION**

There will be a concession stand in operation for the entire meet.

### **ADDITIONAL RULES**

On site shaving is prohibited. Objectionable permanent body markings are prohibited. Body paint is prohibited. All jewelry (except religious/medical medals taped to the body) shall be removed, this includes body piercing. A competitor shall be disqualified from the event (including the entire relay team) if the referee observes violation of the attire or jewelry rules at any point from the time the competitor is called to the block or steps onto the diving board until that race/dive is completed.

### **PARTICIPANT LIST**

Please list all competitors on the State Meet Participation (Form No. SW115) and submit it to KHSAA staff when checking in for the meet.

### **DECLARED FALSE START**

A declared false start shall be reported by the competitor to the referee at a time specified by the meet committee.

### **ATTENTION COACHES**

All schools participating in the Pannell Swim Shop/KHSAA State Swimming & Diving Meet must check in as a team. Individuals arriving early will not be allowed on deck until their coach arrives. Swimmers or divers who arrive after their team check-in must make special arrangements with their coach to gain admittance. **It is necessary for each team to have more than one coach with the team at check in each day. The head coach will need to attend the required coaches meeting and the additional coach will need to check in the team and be on deck with the participants.** To allow the KHSAA to facilitate check-in for teams in a more expedient manner, please bring only the participants competing in that particular session. If possible have another school representative bring the group which participates in Session Two on Friday and Session Four for Saturday at another time later during each day.

All participants who have qualified for the State Meet will be admitted on deck.

There will be a packet containing heat sheets and meet information available to the Head Coach during the warm-up period on Thursday from 3:15 p.m. - 9:00 p.m. in the pool area. Packets will also be available at the door on Friday **7:00 – 9:00 a.m. and 1:00-2:30 p.m.** Please have a list of your competitors ready when you check in. **All schools participating in the Pannell Swim Shop/KHSAA State Swimming & Diving Meet must arrive and check-in together at the team check-in desk. Individuals arriving prior to the team will be required to wait until their coach arrives. Swimmers or divers who arrive after their team checks-in must make special arrangements with their coach to gain admittance.** Please inform all competitors of these requirements.

### **KHSAA INCLEMENT WEATHER STATEMENT**

With the possibility of inclement weather (to include thunder), we remind you that you should be prepared to move to a place of shelter in the event of bad weather conditions. Should it begin to rain, the meet will continue on schedule unless there are signs of lightning or thunder. Should weather conditions force a postponement or delay spectators should immediately leave the bleacher area and heed any announcements made by meet management. In accordance with adopted KHSAA policy, if the meet is suspended, the minimum suspension will be 30 minutes after the last sight of lightning or sound of thunder. In all circumstances, use

prudent judgment in determining whether or not fans are allowed to remain in the pool area or bleachers. When the decision is made to resume the meet, there will be an announcement made over the public address system, and prior to the resumption of the meet; a warm-up period will be given to the teams. The warm-up period is at the discretion of the referee. If the severe weather is of great length or intensity, the referee has the responsibility and authority to postpone the meet until the make-up date.

For more detailed information, please refer to the Ralph Wright Natatorium safety procedures located elsewhere in this packet.

#### **KHSAA SCHOOL MEDIA CREDENTIAL REQUEST APPLICATION**

Each member school may apply for one (1) credential to Pannell Swim Shop/KHSAA State Championships, to be used by the party designated by the school through the Principal or Athletic Director. **Credential request MUST be submitted to the KHSAA prior to the event, no later than noon Tuesday, February 21, 2012. There will be NO exceptions. Credentials will be issued as space permits. Please refer to KHSAA Form SI 103 included in these instructions.** Media credentials will be available at the Media Will Call entrance to the venue and they will need to check in each day. The school media representative is reminded that cheering for a team in one of the professional areas is not permitted. School Media will not be permitted to be on the deck. They will be permitted to sit in the spectator area.

#### **HOSPITALITY ROOM FOR OFFICIALS, WORKING MEDIA, KHSAA STAFF, ADVISORY COMMITTEE MEMBERS AND ONE GUEST**

Due to limited space, access to the Hospitality room (that is located in the Media Room) will be limited to working media, KHSAA Staff and Advisory Committee Members (and one guest).

#### **HOSPITALITY ROOM FOR COACHES**

There will be a hospitality room for Coaches this year. It is located in the left corner off of the deck. It will be monitored for admittance.

Lightning and Thunderstorm Safety Procedures

If, in the judgment of the supervisor on duty (Student Supervisor, Facility Manager, Aquatic Director), there occurs such lightning and thunderstorm activity at the Ralph Wright Natatorium, then the supervisor may clear the swimming pool and the pool deck of patrons.

Safety procedures:

1. The Supervisor in charge shall notify the lifeguard in the chair to blow one long air horn blast to get the attention of patrons. The lifeguard shall then direct patrons to exit the pool. At the same time, the supervisor shall use the public address system to advise the pool patrons to exit the swim pool and the pool deck. Off duty lifeguards shall assist in clearing the swim pool and the pool deck.
2. The pool and deck area must be cleared.
3. Patrons should be directed to the Lobby, the hall ways and the dressing rooms for safety.
4. During a lightning and thunderstorm alert, the showers are to remain turned off. It may be necessary to post lifeguards in the respective shower rooms to keep the showers off.
5. Landline telephones should be used only for emergency during a lightning and thunderstorm alert.
6. The Ralph Wright Natatorium area will reopen after a waiting period of 20 minutes after the last sighting of lightning. It is the responsibility of the supervisor in charge to reopen the Natatorium.
