2010 WRESTLING TOURNAMENT INFORMATION

STATE AND REGION SITES AND INFORMATION

The official State High School Wrestling Championship Tournament will be held at the Frankfort Convention Center in the Frankfort Convention Complex, Frankfort, Kentucky, on Thursday through Saturday, February 18-20, 2010. Regional meets will be hosted by managers in each of the eight regions. A complete list of tournament sites and managers is available on the KHSAA web site, <http://www.khsaa.org/wrestling>.

REGION TOURNAMENT INFORMATION

REGION WRESTLING FORMS AND CERTIFICATION VERIFICATION

- ❖ Teams will find on the KHSAA web site (<http://www.khsaa.org/wrestling>) and on the NWCA web site (<http://www.nwcaonline.com>), all forms necessary to enter individuals in the Region Wrestling Tournament.
- ❖ You will need three printouts from the NWCA site.
 - For the first printout, you will print your weigh-in entry sheet. Be sure and include support data any wrestler that you feel may be placed in the tournament as an alternate due to sickness, injury, or coaching decision.
 - To generate this printout, go to the NWCA system and perform the following steps:
 - Login as your school (KY school number and your password)
 - Click on COACHES at the top
 - Click on Competition Data Entry and Season Grid Form
 - Click "Create Pre-match weigh-in report"
 - Enter the header info (region date and Region Title)
 - Click Next
 - Check each wrestler you desire to enter and pull down the desired weight class
 - Click Next
 - Click "Print weigh-in form"
 - Submit this as a substitute for the previously required WR117
 - For each wrestler, you must bring copies of the signed WR101 (produced by the NWCA system) to the seeding meeting in case of permission challenge.
 - For each wrestler, you also must produce the Individual Weight Loss Plan. This requirement is for all to monitor the fact that **on or prior to January 30**, the athlete legally weighed in at the desired entry weight.
 - To produce the form, Click on Weight Loss Plan:
 - Select the individual wrestler
 - Print the results
 - You will note from the report that the actual weights are listed on the right of the minimums. Any wrestler who did not make a weight legally (i.e. their scale weight was below their minimum weight) did not make weight for this requirement.
 - Bring this report for each athlete to be entered in postseason
- ❖ On the KHSAA site, select the forms menu, and then click on the form name to download the form immediately. You must have the PDF reader to use the PDF copy, Microsoft Word® to download the doc format. The following are the form(s) and their use –
 - WR111 – This form is the required skin-condition form. Please make certain you have this completed for any athlete who has even the most remote chance of being viewed by an opposing coach or the officials as being

contagious to others. No other form of note is to be accepted by the officials. Blank copies are at <http://www.khsaa.org/forms/wr111.doc> or <http://www.khsaa.org/forms/wr111.pdf>.

- ❖ You will not need to complete any additional forms after the regional meet to enter the state meet as your regional manager will take care of that entry.

ATTENDANCE AT SEEDING MEETING

- ❖ The weigh-in verification forms described above and produced by the NWCA online system must be brought to the region seeding meeting by the coaches as well as the entry forms (WR117) and the NWCA entry form.
- ❖ Each team shall be in attendance at the seeding meeting in order to enter wrestlers. ***A school without a representative at the region meeting CANNOT enter wrestlers under any circumstances.***

ELIGIBILITY OF A WRESTLER TO ENTER (CERTIFICATION REQUIREMENT)

- ❖ Each coach shall ensure that each athlete has a completed wrestling permission form on file with the school (WR101). This form is to contain signatures from the athlete, the coach and the parents verifying compliance with all rules as well as the health care provider who did the minimum weight testing, and the doctor if the athlete is below 7%. These forms shall be brought to the entry/seeding meeting for submission and verification.
- ❖ An athlete has to legally make scratch weight (including growth after 12/25) at least one time prior to the January 30 deadline, and must have done so on a date that he /she was valid to do so by the NWCA program. An athlete must have a combination of four matches or four weigh-ins representing the high school during the current season in order to be eligible to enter the region.
- ❖ Once a wrestler is certified into a particular weight class as of January 30, he/she may weigh-in only in that class and one class above. He/she is automatically re-certified into a higher weight class after January 30 by weighing in and qualifying for that class, but never into a lower weight class. After January 30, making base weight (including growth) two classes above any previously certified weight class automatically renders that wrestler ineligible for the remainder of the year to wrestle in the lower weight class (previous certified weight).
- ❖ If an athlete competes in a match where no certified scale was available or weighs-in below the NWCA calculated minimum for that date, the weigh-in counts as a "miss" in all fourteen weight classes with respect to achieving a desired weight class weigh-in.
- ❖ Please note that this rule is for weigh-ins, not matches. It is possible that a wrestler weighed in at a certain class weight for a match, but wrestled up into a different class during that match. That weigh-in would count for the lower weigh-in class.
- ❖ There can be no weigh-in on the day of the draw to be used in this count.

REGIONAL SEEDING REGULATIONS AND REGIONAL WEIGH-INS

- ❖ The Regional Committee member of the KHSAA Wrestling Advisory Committee shall chair the seeding committee meeting. He/she should also be assisted by the regional manager, but the Committee member shall be responsible for adherence to KHSAA regulations.
- ❖ The Regional Committee member shall ensure a smooth and expedient meeting of the coaches. The manager and/or Advisory Committee should contact Michael Barren of the KHSAA if there are any issues that need clarification during the meeting.
- ❖ For 2009-2010, those Regional Committee members are:
 - Region 1 – Dennis Walls, Union County
 - Region 2 – Gary Canter, Larue County
 - Region 3 – Alan Martin, DeSales
 - Region 4 – Che Founder, Central
 - Region 5 – Steve Fiser, South Oldham
 - Region 6 – Wayne Badida, Conner
 - Region 7 – Chris McCoy, Lafayette
 - Region 8 – Josh Muncy, Sheldon Clark
- ❖ The Regional Committee member along with the manager will coordinate a meeting of participating coaches for the purpose of making region pairings in each weight class by seeding the participants.
- ❖ Collectively and by majority vote, the member school head coaches shall decide the seeded wrestlers in each weight class. For regions without an adopted seeding plan, the following criteria may serve as a guide:
 - a) Head to head competition between contestants.
 - b) The record against common opponents;
 - c) A contestant with a better overall record;

- d) A contestant with an exceptional record against acknowledged strong competition;
- e) A returning champion or runner-up in the same weight class;
- ❖ The member school coaches DO NOT HAVE authority to waive the tournament rules or create new ones for the basic entry, bracket and scoring procedures.
- ❖ Following the initial seeding, the tournament manager and the Regional Advisory Committee member shall develop a preliminary bracket.
- ❖ Once the regional seeding meeting is complete, no alterations can be made to the seeding except per the Regional Tournament Format Section below.

REGIONAL TOURNAMENT FORMAT AND POST-SEEDING MEETING PROCEDURES

- ❖ After the seeding is completed, a coach may choose to designate a wrestler into another class by notifying the manager prior to the beginning of weigh-ins.
- ❖ Once weigh-ins begin, an athlete may not be entered into a lower class than previously entered by the coach as the scales will have closed on that previous class.
- ❖ An athlete missing weight at the region weigh-ins may be replaced in that weight class by any eligible member of the team who is on the NWCA online Alpha Master report, who meets the qualifications per the minimum weight guidelines, who has participated in four high school matches and/or bouts, who is eligible by the KHSAA Tournament Rules, and who is eligible by all other weight qualification rules including a valid weigh-in at the region.
- ❖ The wrestler missing weight may be moved to either of the weight classes for which his/her scale weight permits.
- ❖ The wrestler missing weight, if not replaced by another wrestler from the same squad, creates a bye in the bracket, and if necessary, brackets may need to be re-drawn to accurately reflect seeding.
- ❖ Once the scales are closed, entries are considered final. At that point, any further withdrawal from the tournament series constitutes a forfeit.
- ❖ If any entered wrestler (seeded or otherwise), due to action of the coach prior to or after weigh-ins, changes weight classes, then the regional committee member and tournament manager shall convene all coaches for a supplemental meeting after the scales have closed for 285 pound class.
- ❖ At that short supplemental meeting the participating coaches shall vote to determine if the wrestler who was seeded in a former class should now be seeded in his/her entered class or if any other wrestler changing classes since the first entries were submitted necessitates an additional seeding discussion..
- ❖ No other wrestling seeding decision from the original seeding meeting is able to be discussed or reconsidered as those are final upon conclusion of the seeding meeting.
- ❖ After this supplemental meeting is completed, the regional committee member and manager shall ensure that the proper bracket is completed for each class according to the bracketing guidelines.
- ❖ All regional wrestling brackets shall be placed in the proper 4-, 8- or 16-person bracket. A 12-person bracket may not be used as the NFHS wrestling rules require a bracket of a power of 4.
- ❖ Each weight class must be considered separately as to bracket size. A weight class with 1-4 wrestlers shall use a 4-person bracket; 5-8 wrestlers shall use an 8-person bracket and 9-16 shall use a 16-person bracket.
- ❖ Due to the number of competitors entered in a weight class, the decision can be made by a majority vote of the competing coaches to use a **"pigtail"** or preliminary round of competition on the day prior to the regional tournament. In that case, **all competitors entered in the class must wrestle on the first day of competition**, and all shall receive the NFHS one pound growth allowance on the regional tournament day.
- ❖ There will be a full wrestle-back tournament in each weight class at the region tournament.
- ❖ The region tournament will be wrestled and scored to six places in each bracket.

REGIONAL FUTURE SITES

- ❖ Each region manager has been instructed to review the future dates and sites for tournaments in your particular classification. Please make certain that you see that the schedule is updated.

TO: Wrestling Regional Managers:

FR: Assistant Commissioners Michael Barren

Please let me express our appreciation to you for agreeing to serve as the manager for a KHSAA postseason wrestling tournament. It would be impossible for this Association to conduct successful programs for the boys and girls enrolled in our member schools without the cooperation and support rendered by people like yourself.

In this manual, you will find a list of instructions to follow in managing your tournaments along with a copy of various reports to be filed with this office both prior to and following your tournament. It is very important that we receive this information as requested. Though most of you have already received a majority of this information from the office this should serve as a final checklist.

Again, I appreciate your assistance and if you have any questions or if I can help you in anyway, please don't hesitate to call.

KHSAA REGION WRESTLING REGULATIONS AND INSTRUCTIONS

Please refer to the Kentucky High School Athletic Association Handbook which gives rules and regulations governing wrestling tournaments and are re-printed in this manual. ***If you do not have a copy of the KHSAA Handbook, refer to <http://www.khsaa.org/handbook/tournamentrules/wrtournamentrules.pdf> for a listing of the relevant Tournament Rules, although they are printed verbatim in this manual.*** Review each of these provisions at your meetings to ensure consistent understanding from the coaches and the management of a smooth meet.

The forms for your various reports should be self-explanatory. Your compliance with these reports on a timely basis is essential for a smooth state tournament. For your convenience, the following summary is given:

INFORMATION SENT TO SCHOOLS IN ADVANCE

- ❖ Each school participating in wrestling has been sent a link to the packet of information about this year's tournament series. A complete copy is in the next section of this manual. Managers are advised to have copies of all of the forms available at the planning meeting. The entry forms have sent to the coaches well in advance.

FORMS USED BY REGION TOURNAMENT MANAGER

(Complete web links are available to these forms in the checklist section)

- ❖ WR103 – Wrestling Site Selection Plan – to be completed by region manager following tournament to update KHSAA on sites for future year's tournaments. This issue should be discussed at the pre-tournament meeting. Every region should be set for at least the next THREE years. - ❖ WR104 – Wrestling Bracket – to be completed for each weight class bracket with four or fewer entrants. Blank copies are at <http://www.khsaa.org/forms/wr104.doc> or <http://www.khsaa.org/forms/wr104.pdf>
- ❖ WR105 – Wrestling Bracket – to be completed for each weight class bracket with five to eight entrants. Blank copies are at <http://www.khsaa.org/forms/wr105.doc> or <http://www.khsaa.org/forms/wr105.pdf>

- ❖ WR114 – Region Tournament Results – to be completed by region manager immediately following meet and faxed to the KHSAA immediately for the purpose of announcing the results and for use in making the final state brackets. This can also be used to send results to local media outlets. This should only be used for the KHSAA if you are technically unable to utilize the Wrestling Tournament Manager Software. Blank copies are at <http://www.khsaa.org/forms/wr114.doc> or <http://www.khsaa.org/forms/wr114.pdf>
- ❖ WR118 – Region Wrestling Entry Report – to be completed after the tournament and submitted to KHSAA to listed number of competitors per weight class entered, and by what school. This is utilized by KHSAA in consideration of alignment changes and tournament format discussions. Blank copies are at <http://www.khsaa.org/forms/wr118.doc> or <http://www.khsaa.org/forms/wr118.pdf>

PLAYING RULES AND REGULATIONS (ALL TOURNAMENTS)

- ❖ Member schools are not permitted to practice for, travel to or participate in a regular season interscholastic athletic contest during the six-hour school day.
- ❖ In addition, no postseason Wrestling tournament should be scheduled at a time that would violate any part of the six-hour academic school day. Due to this action and regulation, tournaments should not start prior to 3:00 p.m.

ENTRIES

- ❖ All entries and brackets shall be compiled and conducted in accordance with the instructions provided to each team in the document entitled, "Post Season Tournament Information for Each Participating School".

OFFICIALS ASSIGNMENTS

- ❖ Tournament officials are assigned from the pool of licensed KHSAA officials. Each regional manager will be contacted by KHSAA Assistant Commissioner Michael Barren, who will make the final assignments.
- ❖ Only officials licensed with the Kentucky High School Athletic Association may officiate in the regional or state meet. The Commission shall assign all officials to region and state competitions.

REGIONAL OFFICIALS FEES

- ❖ Regional tournament officials shall be paid a minimum fee of \$150.00. per meet. The crew of officials may be paid a mileage allowance of .35 (35 cents) per mile for actual mileage based on the mileage submitted to and approved by the manager.
- ❖ Additional postseason allowances for lodging, etc. require prior notice to the tournament manager and must be approved by the Commissioner. It is expected that officials working prior to 9:00 a.m. will be provided at least one night's lodging, at the expense of the regional meet proceeds.
- ❖ IT IS THE RESPONSIBILITY OF THE TOURNAMENT MANAGER TO MAKE THE NECESSARY CONTACTS WITH THE OFFICIALS!

REQUIRED COMPUTER SOFTWARE AND REPORTING RESULTS

- ❖ The KHSAA has adopted a software standard in order to expedite the posting of results and brackets and give participants as much notice as possible. Managers will have two alternatives for reporting results, 1) the use of this package using the exact reporting instructions below and sending them by electronic mail or 2) completion of the backup form WR114 using the Microsoft Word format and submission via electronic mail. **No other manner or means will be accepted.**
- ❖ Complete reporting instructions are contained in the Manual.
- ❖ The standard package is titled The Wrestling Tournament Manager, and is marketed by PES Sports out of Byron, Illinois. The web site for ordering is <http://www.pes-sports.com/>. The package sells retail for \$129.95. However, if you will identify yourself as one of our regional managers and tell them Michael Barren at the KHSAA referred you (and they have been provided a listing), then the price will be only \$99.95, which should be taken from the gate receipts. There are very little licensing restrictions on your future use of the program, so it is a definite positive investment for the future. The contact phone is 1(888) 959-2016.
- ❖ If you decide to use the "Publish" option on the package to create a web site for the regional tournament and put in on your school or wrestling web site, please provide the office with the link as soon as possible, and we will link from our web site.

TROPHIES

- ❖ The Board of Control has contracted with Conference Medal & Trophies, Pocasset, Massachusetts, to supply the official KHSAA trophies for the 2010 tournaments, each trophy complete with the Association seal and engraving.
- ❖ The Trophies and Medals will be mailed directly to each Regional Manager. Please check them as soon as they arrive to make sure it is the correct order for your region and to make sure they are not broken. Contact the KHSAA office if you do not receive them a few days prior to the tournament.
- ❖ School trophies will be awarded to the teams finishing first and second, medals for the top four (4) individuals in each weight class, and a plaque for the Most Valuable Wrestler.
- ❖ These packages should arrive no later than noon Thursday of the week of the tournament.
- ❖ This trophy cost will be borne by the Association.
- ❖ Each region shall agree and only select a single wrestler as the region Most Outstanding, and that award is provided by the Association.
- ❖ Additional trophies (additional places, etc.) may be ordered from the trophy vendor, but the cost will be borne by the local region.

SECURITY

- ❖ It is the responsibility of the tournament manager to secure adequate police protection, and other security precautions as necessary.
- ❖ While many schools have adequate measures in place regarding safety and security at athletic contests, all members are reminded of the importance of this provision. The National Federation has made a strong effort in reminding all state associations of the importance of member schools understanding the necessity for the adequate security.
- ❖ Crowd control has become a major emphasis across the nation and though many schools have provisions in place, it is important to take every precaution to protect the athletes, fans and general public at contests.

- ❖ While acknowledging the expense of security, it is noted that this should be an integral part of your athletic planning process. Adequate security is a requirement at post-season contests.

MEDICAL COVERAGE

- ❖ A physician and/or ambulance should also be in place in the event of an emergency as well as an emergency plan for the transportation of injured athletes. This information should be communicated to all competing schools. Managers are also advised to have additional copies of KHSAA Form WR111 in case a physician's review of a skin condition is needed.
- ❖ It is strongly recommended that a physician be in place during the weigh-ins to assist with determinations regarding skin conditions and fitness to wrestle and remove that duty from the meet officials.

REGIONAL TOURNAMENT SEEDING MEETING PREPARATION INFORMATION AND REQUIREMENTS

- ❖ Each manager should be familiar with the instructions in the document entitled, "Post Season Tournament Information for Each Participating School".
- ❖ Each team shall be in attendance at the seeding meeting in order to enter wrestlers. A school without a representative at the region meeting CANNOT enter wrestlers under any circumstances. If you have concerns about a coach who is not present, contact Mr. Barren immediately.

REGION FUTURE SITES

- ❖ The manager shall review the site selection schedule with all schools in the region at the tournament. A copy of the current site selection schedule is listed in this manual.
- ❖ If changes or corrections are made to the region tournament site selection plan, please use KHSAA Form WR103 and return it to the KHSAA immediately following the tournament. Blank copies are at <http://www.khsaa.org/forms/wr103.doc> or <http://www.khsaa.org/forms/wr103.pdf>.
- ❖ The site plan should extend a minimum of three (3) years.

DRAWING BRACKETS

- ❖ Competitors shall be placed in the appropriate bracket based on the number of entrants into the tournament in a particular weight class. While some bracketing may be done after the seeding meeting, the final brackets cannot be entered and compiled until weigh-in results are known.
- ❖ If there are 4 or fewer entrants in a class, use form WR104 (a four-person bracket). A blank copy of this form is available at <http://www.khsaa.org/forms/wr104.doc> or <http://www.khsaa.org/forms/wr104.pdf>.
- ❖ If there are 8 or fewer entrants in a class, use form WR105 (an eight-person bracket). A blank copy of this form is available at <http://www.khsaa.org/forms/wr105.doc> or <http://www.khsaa.org/forms/wr105.pdf>.
- ❖ If there are more than 8 entrants in a class, use form WR106 (a sixteen person bracket). A blank copy of this form is available at <http://www.khsaa.org/forms/wr106.doc> or <http://www.khsaa.org/forms/wr106.pdf>.
- ❖ If a particular class is originally bracketed into a larger bracket, but due to no-shows and/or missed weight entrants, falls back to the next bracket size, the bracket shall be re-drawn into the appropriate form. For example, if a bracket was originally to be 9 entrants, but one drops out prior to competition, the entrants shall be re-entered into an 8 person bracket. This ensures that byes disappear after the first round and do not impact future scoring.
- ❖ There are blank brackets on the KHSAA web site if you would like to download them for use in preliminary bracketing prior to the entry into the computer program.
- ❖ Regional coaches and representatives do not have authority to enter competitors in any other bracket manner.

REGION FINANCES

- ❖ All net proceeds after expenses approved by the participants (including a loss), shall be divided among the teams in a region based on a plan approved by majority vote. Any entry fee designed to curb the costs of the tournament shall be agreed to by all member schools in the region prior to the tournament.

INCLEMENT WEATHER

- ❖ While it would be ideal if all parties could agree on any re-scheduling of tournaments necessitated by inclement weather or other natural events, this may not be practical. It is the duty of the tournament manager in consultation with the participating teams to make decisions with regards to re-scheduling in the event of postponement and ensure that all teams, media outlets and schools are properly notified. In accordance with the playing rules, after the contest has begun, such determination shall be made by the referee.

SCHOOL REPRESENTATIVES

- ❖ You are reminded that KHSAA Bylaw 20 requires a member of the faculty of the school to be present along with any student-athlete who is representing a member school. Please see Bylaw 20 in the 2008-09 KHSAA Handbook if you have any questions. Each school will be required to verify the presence of this school person upon entering the state tournament using form WR119.

TEAM SCORE

- ❖ The team score shall be determined by totaling the points in accordance with National Federation rules.

STATE TOURNAMENT QUALIFIERS

- ❖ The Top Four (4) wrestlers in each weight class shall advance from the region to their seeded slot in the state tournament.

POST REGIONAL RESULTS AND REPORTS

- ❖ After the region tournament is completed, you will submit the results in accordance with the instructions listed earlier via email. No other method is acceptable..
- ❖ **Immediately following the tournament, NOT LATER THAN MONDAY MORNING, you will send the copies of the NWCA forms, WR103 and WR118 to the KHSAA via overnight service with the cost of the postage coming from the gate receipts. The package should be shipped to the KHSAA, 2280 Executive Drive, Lexington, KY 40505 to arrive not later than Tuesday. Do not hold onto the material planning on bringing it to the state tournament.**

KHSAA STAFF

- ❖ An official of the Kentucky High School Athletic Association will be present at the state tournament to answer any questions you might have concerning the state tournament. Mr. Scott Greenwald and his workers can address most of your concerns, but you may feel free to address KHSAA staff with other concerns.
- ❖ If you have questions or concerns prior to the state tournament which Mr. Greenwald cannot address, you can contact Asst. Commissioner Michael Barren or Asst. Commissioner at the KHSAA, (859) 299-5472. The KHSAA fax number is (859) 293-5999, or you can also reach him by email at mbarren@khsaa.org he will respond as soon as possible to your needs. Should you have an emergency concern, you may also attempt to contact Mr. Barren at (859) 317-3300 at most any time.

Note to Providers: Non-contagious lesions do not require treatment prior to return to participation (e.g. eczema, psoriasis, etc.). Please familiarize yourself with NFHS Rules 4-2-3 and 4-2-4 which states:

"ART. 3 . . . If a participant is suspected by the referee or coach of having a communicable skin disease or any other condition that makes participation appear inadvisable, the coach shall provide current written documentation as defined by the NFHS or the state associations, from a physician stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to any opponent. This document shall be furnished at the weigh-in for the dual meet or tournament. The only exception would be if a designated on-site meet physician is present and is able to examine the wrestler immediately after the weigh-in. Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate."

"ART. 4 . . . If a designated on-site meet physician is present, he/she may overrule the diagnosis of the physician signing the physician's release form for a wrestler to participate with a particular skin condition."

"ART. 5 . . . It is valid with the understanding that a chronic condition could become secondarily infected and may require re-evaluation."

Below are some treatment guidelines that suggest **MINIMUM TREATMENT** before return to wrestling:

Bacterial diseases (impetigo, boils): Oral antibiotic for two days and no drainage, oozing, or moist lesions.

Herpetic Lesions (Simplex, fever blisters/cold sores, Zoster, Gladiatorum): To be considered "non-contagious," all lesions must be scabbed over with no oozing or discharge and no new lesions should have occurred in the preceding 48 hours. For primary (first episode of Herpes Gladiatorum), wrestlers should be treated and not allowed to compete for a minimum of 10 days. If general body signs and symptoms like fever and swollen lymph nodes are present, that minimum period of treatment should be extended to 14 days. Recurrent outbreaks require a minimum of 120 hours or five full days of oral anti-viral treatment, again so long as no new lesions have developed and all lesions are scabbed over.

Tinea lesions (ringworm scalp, skin): Oral or topical treatment for 72 hours on skin and 14 days on scalp.

Scabies, Head Lice: 24 hours after appropriate topical management.

Conjunctivitis (pink eye): 24 hours of topical or oral medication and no discharge.

Molluscum Contagiosum: 24 hours after curettage.

NOTE TO PROVIDERS: If your examination yields a finding that the wrestler has a contagious skin condition within these rules, no covering of such condition will allow the athlete to wrestle.

SCHOOL: _____

Bylaw 20. Member of the Faculty to Accompany Team

The principal or coach or another member of the faculty shall accompany the team to all contests. His/her expenses, when he/she accompanies the contestants, shall be paid in the same manner as those of the contestants.

Q/A -1 Is the restriction on transportation of a student by the principal, coach or faculty a KHSAA regulation or state law? This bylaw is patterned and adopted after KRS 161.185 which states "Boards of education shall require a principal, coach, member of the faculty or a member of the administrative staff to accompany students on all school-sponsored or school-endorsed trips." Effective July 15, 1998, the legislature changed the provisions to give those individuals employed as Level II or III coaches the same authority as their faculty counterparts if approved by the local Board of Education.

Q/A 2 - Can a nonteaching paraprofessional accompany a team and/or drive the bus or van? Yes, that person can serve as the person to accompany the team in accordance with KRS 161.185 as amended by the Legislature effective July 15, 1998. It should be noted that this in no way removed or revised the requirements for the driver of the bus / van as that individual must continue to meet other state requirements.

In accordance with this bylaw, the person listed below has been approved by the Board of Education of this school to serve as the person accompanying this team and is accompanying the athletes for this tournament.

APPENDIX F –

RULES AND REGULATIONS Governing the Wrestling Championships of the KHSAA (Adopted by the Board of Control, Reprinted from 2009- 2010 KHSAA Handbook)

KHSAA RULES AND REGULATIONS Governing Wrestling Tournaments

(Adopted by the Board of Control)

(Case situations refer to rulings and interpretations used to administer these provisions which can be found in the next section of the Handbook)

I) Assignment of Schools to Regions

The Kentucky High School Athletic Association shall sponsor postseason competition in wrestling for boys, provided that fifteen (15) percent of the member schools declare intentions to participate in said competition. Member schools desiring to participate in KHSAA sponsored postseason competition shall notify the Association office prior to November 1. The Commissioner shall divide the state into geographic sections with the approval of the Board of Control. Newly added or deleted programs will be handled on a case by case basis by the Commissioner's office.

As of August 1, 2009, the alignment is as follows —

REGION 1 - (WESTERN KENTUCKY) – Apollo, Caldwell County, Calloway County, Christian County, Daviess County, Fort Campbell, Hopkinsville, Ohio County, Paducah Tilghman, Union County, University Heights

REGION 2 - (MID KENTUCKY) – Anderson County, Boyle County, Central Hardin, Danville, Fort Knox, John Hardin, LaRue County, Nelson County, North Hardin

REGION 3 - (WEST JEFFERSON) – Bullitt Central, DeSales, Doss, Fairdale, Holy Cross (Louisville), Iroquois, Meade County, Pleasure Ridge Park, Shawnee, Southern, Valley, Western

REGION 4 - (CENTRAL JEFFERSON) - Atherton, Central, DuPont Manual, Kentucky School f/t Blind, Moore, Seneca, St. Xavier, Trinity (Louisville)

REGION 5 - (EAST JEFFERSON) - Eastern, Fern Creek, Jeffersontown, Kentucky Country Day, North Oldham, Oldham County, South Oldham

REGION 6 - (NORTHERN KENTUCKY) - Bishop Brossart, Boone County, Campbell County, Conner, Cooper, Dixie Heights, Holmes, Newport, Ryle, Scott, Simon Kenton, Walton-Verona

REGION 7 - (CENTRAL KENTUCKY) – Bourbon County, Bryan Station, Franklin County, Harrison County, Henry Clay, Lafayette, Madison Central, Montgomery County, Paul Laurence Dunbar, Tates Creek, Western Hills, Woodford County

REGION 8 - (EASTERN KENTUCKY) - Ashland Blazer, Harlan County, Johnson Central, Lawrence County, Letcher County Central, McCreary Central, Perry County Central, Prestonsburg, Sheldon Clark, Wayne County, Whitley County

II) Dates and Sites for Tournaments

The Commissioner shall make the determination of the regional tournament sites. Schools interested in hosting a regional tournament shall submit their request through the defined site selection process at prior year tournaments. The applicant shall supply information relating to seating and parking facilities and such other information as may be requested by the Commissioner. The Commissioner's office may use this site selection plan as a guide, but is not bound by this plan in determining the sites. If a region is unable to resolve conflict over the plan, the Commissioner shall establish a plan. All tournaments will be held within the dates indicated on the Memorandum Calendar unless otherwise approved in writing by the Commissioner.

Only schools which are members of the Association prior to January 1 of the year in which the tournament is held, and already having a suitable facility for hosting the tournament shall be allowed to apply, and only those competing in the current year will be allowed to vote for the region tournament location.

Schools interested in hosting a regional tournament shall submit the tournament information when requested by the Commissioner's office. The applicant shall verify that the facility tournaments any standards established by the Games Committee and shall supply data relating to seating and parking facilities and such other information as may be requested by the Commissioner. Member schools are not permitted to practice for, travel to or participate in an interscholastic athletic contest during the six-hour school day.

No wrestling tournament should be scheduled at a time that would violate any part of the six-hour academic school day.

The Board of Control shall determine the site of the state finals after receiving the Commissioner's recommendation, and shall be guided

by necessary hotel facilities, playing facilities, and community/area support.

III) Tournament Managers

The Commissioner will appoint a manager for each of the regional meets, and shall serve as the manager for the state meet. The Commissioner may appoint as many assistant managers as deemed necessary to manage the event. It is the duty of each manager to notify all schools participating in the meet as to the time and place of the meet, to supply him or her with entry instructions, to invite their participation, and make all arrangements to conduct the meet. It is an explicit duty of each tournament manager to inform the association IMMEDIATELY as to the bracket / pairings / entries / results when requested by KHSAA staff and according to the time deadlines provided including the actual site of the tournament if it is not held at the school. The Board of Control has approved the policy that the receipts of a tournament can be assessed (a fine levied against the manager) for failure to comply with these provisions.

IV) Weight Management, Certification and Control

A) Minimum Weight Determination and Reporting

1) All athletes shall meet eligibility requirements including the development of a set minimum body weight. This weight is to be determined in joint consultation with the athlete, his/her parents, his/her doctor and the coach and may require an additional medical examination by a medical doctor.

2) An accepted method of determining this weight shall be used and the Commissioner shall approve the method. Any one of the four approved methods may be used in accordance with the weight management procedures, including skin-fold caliper testing; BOD POD® air displacement; Bioelectrical Impedance Analysis or Hydrostatic (under water) determination.

3) The NWCA (National Wrestling Coaches Association) online system shall be used to record and track the procedures.

4) The minimum weight class for each wrestler shall be determined using the National Wrestling Coaches Association (NWCA) online system between October 15 and the first regular season match.

5) The Head Coach of the team is responsible for maintaining a signed copy of the Alpha Report as the wrestling permission form. Each athlete subject to the sub-7% physician permission shall have a properly completed form processed, and the Head Coach shall send a copy of that form to the KHSAA prior to the first competition.

6) Failure to determine an athlete's minimum weight shall render the athlete ineligible for competition. Athletes without a minimum weight determination may not wrestle in competition or in practice after the first date for competition during the regular season.

7) The Head Coach or the wrestling program at a particular school may be penalized in accordance with Bylaw 33, and may be declared ineligible for competition for failing to submit minimum weight verification information in a timely fashion.

8) A wrestler may not compete on the day of the minimum body weight testing.

9) A wrestler desiring to appeal the original minimum weight certification results must complete the hydrostatic weight appeal within two (2) weeks of the original test.

10) A wrestler may never be certified into a class which is below the minimum body weight determined by the wrestler, his/her parents, his/her coach and his/her doctor and verified by using the proper calculation forms.

B) Weight Classes, Weigh-ins and Records

1) Competition shall be divided into weight classes for regular and postseason competition as follows: 103, 112, 119, 125, 130, 135, 140, 145, 152, 160, 171, 189, 215 and 285.

2) The two-pound growth allowance will be added to each class boundary on December 25, thereby shifting the bounds of the class. The individual wrestler does not "receive" two pounds, the class weight limit is simply increased by two pounds..

3) For each round of the KHSAA postseason tournament, the two pound weight / growth allowance provisions from the National Federation Rules shall be used as such shall be added on December 25.

4) A certified scale shall be used to verify weight at all matches (regular and postseason). Scales which do not display current

certification or for which current documentation is not available shall not count toward the wrestler's weigh-in requirements but shall count as though the wrestler weighed 288.

- 5) If an athlete competes in a match where no certified scale was available, the weigh-in counts as a "miss" in all fourteen weight classes with respect to achieving a desired weight class weigh-in.
- 6) A member school representative may not compete in any match where a weigh-in is not conducted and recorded.
- 7) The Head Coach of each team shall be responsible for entering the complete competition schedule of the team prior to the first competition date, using the NWCA online system and shall maintain the accuracy of that schedule throughout the season.
- 8) The Head Coach of each team shall provide, for each competition weigh-in, a match weigh-in form produced by the NWCA online system showing the lowest applicable weight for each competing wrestler on the actual date of competition. Local event managers should have in place an option to produce such listing in the event that the competing coach does not produce this report at weigh-ins. Any coach failing to produce this report shall have the weigh-ins recorded on an alternate form, and such shall be provided, by an opposing coach, to the KHSAA for review. Repeated failure to produce these required weigh-in reports shall be cause for suspension of the Head Coach from regular or post season competition or other penalty contained in KHSAA Bylaw 33 and may subject the team to ineligibility to enter the regional wrestling tournament.
- 9) Following each match, and prior to the next competition for the squad, each coach shall enter the actual scale weights of each wrestler who weighed in for the competition, using the NWCA online system. For multiple day competition within the same event, only the first day weigh-in is to be recorded. Repeated failure to enter scale weights prior to the next competition shall be cause for suspension of the Head Coach from regular or post season competition or other penalty contained in KHSAA Bylaw 33 and may subject the team to ineligibility to enter the regional wrestling tournament.

C) Certification into a Weight Class

- 1) A wrestler is certified into a particular weight class at any regularly scheduled match or tournament any time on or prior to the Saturday of NFHS week 30 by making base weight (including growth allowance after December 25) at an official weigh-in on a certified scale as long as that certified weight is not below the documented minimum weight and is at a time allowed by the minimum weight calculations. A wrestler weighing in on or prior to the Saturday of NFHS week 30 is continually certifying at the weigh-in weight.
- 2) Once a wrestler is certified into a particular weight class as of the Saturday of NFHS week 30, he/she may weigh-in only in that class and one class above. He/she is automatically re-certified into a higher weight class after the Saturday of NFHS week 30 by weighing in and qualifying for that class, but never into a lower weight class. After the Saturday of NFHS week 30, making base weight (including growth) two classes above any previously certified weight class automatically renders that wrestler ineligible for the remainder of the year to wrestle in the lower weight class (previous certified weight).
- 3) Please note that this rule is for weigh-ins, not matches. It is possible that a wrestler weighed in at a certain class weight for a match, but wrestled up during that match. That weigh-in would count for the lower, weigh-in class.

D) Weight Control

All coaches are cautioned that rapid reduction in weight can endanger the health of the student athlete and coaches are encouraged to keep current with all research in this area. The manager of each meet is to have each participant weighed and it is highly recommended that a physician examine each participant.

V) Eligibility to Enter Tournament Play

An athlete shall have a combination of four matches or four weigh-ins representing the high school during the current season in order to be eligible to enter the region.

All entrants from a school accumulate team points toward the team championship.

A school may list an unlimited number of entrants from a list of eligible athletes as possible competitors in the regional tournaments. Each of these potential entrants shall be entered via the NWCA online weight management system. This list shall include all names of anyone who is to be eligible to participate in the postseason and shall be generated by the NWCA wrestling system.

A school may enter one participant in each weight class in the region tournament.

Each coach shall ensure that each athlete has a completed wrestling permission form on file with the school (the Alpha Report along with the sub-7% form if necessary). This form is to contain signatures from the athlete, the coach and the parents verifying compliance with all rules as well as the health care provider who did the minimum weight testing, and the doctor if the athlete is below 7%. These forms shall be brought to the entry/seeding meeting for submission and verification.

VI) Regional Seeding Meeting and Tournament

A) Attendance and Required Documentation

- 1) The specified reports from the NWCA system that show both the minimum weight and match by match weights shall be brought to the seeding meeting for the region tournament by the coach or designated school representative of each school desiring to participate.
- 2) A wrestler may not be entered in a region tournament unless the weigh-in verification records are completed via the NWCA system.

B) Seeding Meeting Procedures

- 1) The regional manager will coordinate a meeting of participating coaches for the purpose of making region pairings in each weight class by seeding the participants.
- 2) The Advisory Committee member from the specific region shall chair the meeting and be responsible for compliance with the Tournament rules.
- 3) Each school shall have a representative at the seeding meeting for the region tournament or that school may not enter wrestlers.
- 4) Those present at the meeting may conduct the business of the region meeting including completion of the seeded brackets. If votes are taken, each school may only have one vote.
- 5) Collectively, the schools shall decide the seeded wrestlers in each weight class. For regions without an adopted seeding plan, the following criteria may serve as a guide:
 - a) Head to head competition between contestants.
 - b) The record against common opponents;
 - c) A contestant with a better overall record;
 - d) A contestant with an exceptional record against acknowledged strong competition;
 - e) A returning champion or runner-up in the same weight class;
- 6) The member school representatives DO NOT HAVE authority to waive the tournament rules or create new ones for the basic entry, bracket and scoring procedures
- 7) Following the initial seeding, the tournament manager and the regional Advisory Committee member shall develop the preliminary bracket.
- 8) Once the regional seeding meeting is complete, no alterations can be made to the seeding except per Section (C) below.

C) Regional Tournament Format

- 1) After the seeding is completed, a coach may choose to designate a wrestler into another class by notifying the manager prior to the beginning of weigh-ins.
- 2) Once weigh-ins begin, an athlete may not be entered into a lower class than previously entered by the coach as the scales will have closed on that previous class.
- 3) An athlete missing weight at the region weigh-ins may be replaced in that weight class by any eligible member of the team who is on the NWCA online Alpha Master report, who meets the qualifications per the minimum weight guidelines, who has participated in four high school matches or bouts, who is eligible by the KHSAA Tournament Rules, and who is eligible by all other weight qualification rules including a valid weigh-in at the region.

The wrestler missing weight may be moved to either of the weight classes for which his/her scale weight permits.

The wrestler missing weight, if not replaced by another wrestler

from the same squad, creates a bye in the bracket, and if necessary, brackets may need to be re-drawn to accurately reflect seeding.

- 4) Once the scales are closed, entries are considered final. At that point, any further withdrawal from the tournament series constitutes a forfeit.
- 5) If any entered wrestler (seeded or otherwise), due to action of the coach prior to or after weigh-ins, changes weight classes, then the regional committee member and tournament manager shall convene all coaches for a supplemental meeting after the scales have closed for 285 pound class.
- 6) At that short supplemental meeting the participating coaches shall vote to determine if the wrestler who was seeded in a former class should now be seeded in his/her entered class or if any other wrestler changing classes since the first entries were submitted necessitates an additional seeding discussion..
- 7) No other wrestling seeding decision from the original seeding meeting is able to be discussed or reconsidered as those are final upon conclusion of the seeding meeting.
- 8) After this supplemental meeting is completed, the regional committee member and manager shall ensure that the proper bracket is completed for each class according to the bracketing guidelines.
- 9) All regional wrestling brackets shall be placed in the proper 4-, 8- or 16-person bracket. A 12-person brackets may not be used as the NFHS wrestling rules require a bracket of a power of 4.
- 10) Each weight class shall be considered separately as to bracket size. A weight class with 1-4 wrestlers shall use a 4-person bracket; 5-8 wrestlers shall use an 8-person bracket and 9-16 shall use a 16-person bracket.
- 11) There will be a full wrestle-back tournament in each weight class at the region tournament.
- 12) The region tournament will be wrestled and scored to six places in each bracket.

B) State.

- 1) The top four wrestlers in each weight class shall advance from the regional tournament into the state tournament. In the event that a seeded wrestler is not able to participate in the state tournament due to injury or other reason beyond the control of the wrestler, the appropriate seeded wrestler(s) will be moved up in the seeding, and the fifth place wrestler from the regional tournament will be seeded fourth.
- 2) There shall be a rotation system developed that attempts to ensure that there are no byes in the state tournament by rolling into the tournament, the fifth place wrestler from a randomly selected region if the qualifying region has less than five wrestlers or the fifth place wrestler is unavailable and a replacement is needed.
- 3) Notification of situations of this type where substitutions are made shall be made to the Commissioner immediately with further notification to all effected coaches.
- 4) Wrestlers unable to compete may be replaced prior to weigh-ins, and such shall not constitute a forfeit. Other positions shall be rotated up in the bracketing. Wrestlers missing weight at the State tournament shall constitute a forfeit.
- 5) There will be a full wrestle-back tournament for each weight class at the state tournament.
- 6) The Commissioner shall draw each weight class individually for the pairings at the state tournament.
