## Coach Comments

### 1. Please describe what advancing to the State Tournament means for your program, your school and your players.

The success has injected a renewed enthusiasm into the entire Apollo community. The opportunity to see this community excited about something positive has been a joy and a blessing for all of our students, faculty, staff, parents and graduates of Apollo High School.

### 2. What will your team have to do in order to have a chance of winning the State Tournament?

Our team must overachieve in several areas. Mostly, they need to believe in themselves and one another.
