Coach Comments

- 1. Please describe what advancing to the State Tournament means for your program, your school and your players.**

Coming out of the 6th region we feel honored to be it's representative. The 6th has some of the best players and coaches in the state. To represent it for the second straight year is a privilege for our program and our community

- 2. What will your team have to do in order to have a chance of winning the State Tournament?**

Play our game and focus on one game at a time. It will take a tremendous effort to even be close to Trinity.
