Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

We are a small Class A school who had advanced earlier in the year to Owensboro by winning the All A 10th Region. We started the season 16-0 and were the last undefeated team left in the state. We were solid on defense in this week's Regional Tournament committing only 3 errors. We were a district runnerup coming in to the tournament and drew the defending Regional champions Montgomery Co. After winning our opening game we advanced to the Regional finals by beating Mason Co. in the Semi's,a team that had beaten us in our previous game against them. In the finals, we beat a very good Bourbon Co. team 4-2. We hope that with Nicholas Co. making the Kentucky State Tournament that this will give hope to all the smaller schools in our state and make them realize that the little schools can live out their dreams and make it to the BIG SHOW. Our community is very excited about our championship.

What are keys to your team's success in winning the tournament:

We have to continue to get good senior leadership for our young team. We have to stay focused and catch the ball. Playing in the All A State in Owensboro last month will be a plus for us knowing the surroundings well. We want to stay competitive and keep the games close and have a shot at the end to win some games. Our hitting is our strength and when we catch the ball we can play with anybody.
