#### **Coach's Comments**

### Your team's accomplishment of advancing to the State Tournament:

We are a young team so the experience for us will be very beneficial for the future. We had to beat every good team in our district and region with the draws we received. A very hard-earned regional win with the final going 14 innings. We were resilent.

#### **Coach's Comments**

What are keys to your team's success in winning the tournament:

The keys for us was making plays on defense. Our pitchers were superb and made it easier on our defense. We had multiple kids come through on offense and Chloe Blair was the spark from the lead off spot. The main key for our success is how these kids came together the final three weeks of the season and just made a magical run.
