Coach's Comments

What are keys to your team's success in winning the tournament:

Our seniors will be the key to winning, they must step up and play well. This is their 4th trip to the state tournament so we expect them to play well and compete. We also need our younger players like Megan Hensley, McKenzie Vanover and Megan Griffith to step up and execute. We have had a challenging and successful season, so we expect our players to play well and win games in this years state tournamemt.
